THE DOOR DEPOT ENTERS QUAD CITY MARKET

Davenport, Iowa, January 8, 2018 – The Door Depot recently opened their second location. This new location in Davenport is aimed at offering a convenient option for delivery and pick-up of residential and commercial doors. The Door Depot carries high quality brands such as – HAAS, Liftmaster and AMARR – in addition to a wide variety of commercial and industrial door products.

“The idea behind The Door Depot is to give the industry access to in-stock material and people with the expertise to help” explains The Door Depot Quad Cities sales manager Mike Dostal.

The Davenport location is an extension of a location in Spring Valley, Wisconsin and will be open Monday – Friday from 7:30 am – 4:30 pm.

About The Door Depot

At The Door Depot, we specialize in residential and commercial garage doors of the highest quality. With experts on-site, we offer recommendations and advice not typically found at large retailers with most popular sizes and styles in-stock and ready for immediate pick-up or delivery. In addition, we offer commonly used repair parts, door openers and springs. The Door Depot has two locations – Davenport, Iowa and Spring Valley, Wisconsin.
